Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56, the accompanying documents, copies of which are attached to this statement, are made of record on the enclosed sheet.

These references were first submitted as part of an IDS in parent application 09/593,999 and were considered by the Examiner. When the present application was filed, a listing of the references submitted and considered in the parent application was submitted to the Examiner as part of an IDS.

However, the Examiner placed a line through the two references submitted herewith, which indicates the Examiner did not consider these two references as part of the present application.

In order to clarify for the record that these two references were before the Examiner and considered in the parent application, applicant is resubmitting these references and respectfully requests that these references be placed in the file of the present application.

Respectfully submitted,
